

I have been listening to Air 1 for about one year and I generally do not listen to other stations due to their widespread inappropriate talk. I have three children and I never worry about what they may hear on Air 1. There are positive messages and songs 24/7 on Air 1, which I believe the entire Phoenix metro area can benefit from, as well as the general public across the nation. Please do not take away Air 1, which is FM 88.7 in Phoenix, and leave me without a "safe" radio station. Thank You in advance for your understanding.
Sincerely, Michele Davies
